

# Xin Li

Software Engineer | Frontend & Full-Stack

[xin.li@outlook.co.il](mailto:xin.li@outlook.co.il) | +972-52-4635573 | [linkedin.com/in/xin-li-5387a5169](https://www.linkedin.com/in/xin-li-5387a5169)

## PROFILE

Software Engineer experienced in building production web applications, with a primary focus on frontend development using React, TypeScript, Next.js, and modern UI frameworks. Hands-on exposure to Python/FastAPI, MongoDB-backed systems, and REST API integration through cross-stack feature delivery and debugging. Native Mandarin speaker with fluent English and prior experience supporting Chinese partners and cross-border payment operations.

## PROFESSIONAL EXPERIENCE

### Software Engineer | RealEye Labs | Tel Aviv, Israel | 2024–2026

- Developed and maintained production web application features using React, Next.js, TypeScript, Tailwind CSS, and HeroUI, with primary focus on frontend implementation and UI/UX.
- Built reusable, schema-driven UI components for complex data structures, including dynamic forms, nested objects, arrays, and configurable workflows.
- Integrated frontend applications with REST APIs and collaborated with Python/FastAPI backend services for data retrieval, validation, and persistence.
- Debugged cross-stack issues involving API payload validation, application state synchronization, error handling, and MongoDB-backed data.

### Financial Operations Specialist | Zota Technology | Tel Aviv, Israel | 2021–2023

- Managed operational and commercial relationships with payment processors and partners across China, Southeast Asia, Latin America, and Africa.
- Worked directly with Chinese partners in Mandarin and English, supporting cross-border communication, pricing negotiations, and operational problem-solving.
- Supported payment processor integrations and coordinated technical and operational requirements between internal teams and external partners.
- Analyzed transaction and financial data using Excel, Salesforce, and internal systems to support payment operations and business decisions.

### Overseas Sales | China National Publications Import & Export (Group) Corp. | Beijing, China | 2019

- Managed copyright-related client coordination and contract negotiations; provided Arabic, English, and Mandarin translation for Middle Eastern exhibitors.

## TECHNICAL SKILLS

**Core Frontend:** React, TypeScript, JavaScript, Next.js, HTML/CSS, Tailwind CSS, HeroUI, MUI

**Backend & API Experience:** Python, FastAPI, Node.js, Express, REST APIs, MongoDB, SQL

**Engineering & Tools:** Git, JSON Schema, API integration, debugging, unit testing, Salesforce Lightning, Excel

## EDUCATION & TRAINING

**Full-Stack Developer Program** — Israel Tech Challenge (ITC), 2023

**Meta Full-Stack Developer Professional Program** — Coursera, 2023

**Computer Science and Programming Specialization** — University of London, Coursera, 2021

**Google IT Support Professional Certificate** — Google, Coursera, 2021

**M.A., Middle Eastern Studies** — The Hebrew University of Jerusalem, 2020–2021

**B.A., Middle Eastern Languages** — Beijing Language and Culture University, 2016–2020

## LANGUAGES

English - Fluent | Mandarin Chinese - Native | Hebrew - Intermediate | Arabic MSA - Intermediate
